Preferred Skillset and Experience

- Prior working Experience in the IT services industry.
- Basic understanding of CMT domains: communications networks, media workflows, and emerging tech
- Good Understanding of Agile, SDLC principles and techniques.
- Experience in performing industry research and analysis, company and competitor analysis, trend analysis etc.
- Exposure to cutting edge developments in the technology space like GenAI, Agentic AI

Skills Required

- Work experience of 0-71 months.
- Team / Interpersonal skills
- Analytical / Problem solving skills
- Positive attitude and drive
- Ability to effectively perform both in a team and as an individual
- Should be proactive and self-starter with ability to prioritize tasks vs time.

Eligibility Criteria

- Candidates graduating in 2026 with MBA / Executive MBA (Full time).
- At the time of joining, all recruits need to have a minimum 60% aggregate (all subjects will be taken into consideration) in 10th, 12th & UG with no standing arrears.
- Students with standing arrears are NOT eligible to apply.
- Students who have applied for re-evaluation and are waiting for the results would be considered with the initial result scores declared during hiring process.
- Appropriate CGPA to % conversion to be considered as per university norms.
